

Closure proposal of sand sairat sources from District Survey Report

Sl No	Name of the Tahasil	Name of the Sairat	Mouza	Khata No	Plot no	Area	Kisam	Remarks
1	Kantapada	Devi R/S Tithapada-II	Tithapada	75	1	Ac. 12.20	Nadi	The Joint enquiry committee consisted with Tahasildar Kantapada, Geologist, Cuttack, Asst. Executive Engineer Irrigation, Pratapnagari, Mining Officer Cuttack, R.S. Kantapada & R.I. Govindpur, Amin has suggested that the source may be closed due to most of the area submerged in river water. The embankment is not safe, the entry and exit of the vehicle to the quarry will further damage the embankment.
